Specialist Private Client **Lawyers & Tax Experts**

SPANISH DESK

**Cross-Border Advice** for Clients with Interests in the UK & Spain

# The Burnside Partnership

Our Spanish Desk offers joined-up, bilingual legal support for individuals, families and businesses with personal, property, tax or succession interests spanning the UK and Spain. We help clients navigate the practical and legal differences between the two jurisdictions with a single, coordinated service designed to reduce complexity, protect wealth, and provide peace of mind.

Clients choose The Burnside Partnership because we combine first-rate legal and tax expertise with a genuinely personal approach. We know that cross-border matters can feel complicated, so we focus on giving clear, practical advice that is thoughtful, responsive and easy to act on.

**This guide explains how our Spanish Desk supports clients with Anglo-Spanish legal and tax matters, who it is for, and the expertise behind our coordinated cross-border service.**

Just as importantly, we take the time to understand what matters most to each client, so our support is not only expert, but feels trusted and reassuring too.

We enjoy getting to know our clients, often forming relationships that span generations.

## Why choose our Spanish Desk?

The three reasons why our clients choose to instruct The Burnside Partnership...

01

Integrated, expert advice

Obtain strategic planning advice from specialist lawyers who understand both UK and Spanish law.

02

No language barrier

Communicate in English while we manage the Spanish legalities.

03

Efficiency

Obtain advice from a single point of contact – you don't have to consult with and manage two sets of professional in England and Spain.

# How we can help

# Who this is for

Our cross-border expertise benefits:

- UK nationals who own property or other assets in Spain
- Spanish nationals with personal or financial interests in the UK
- International families planning across both jurisdictions
- Individuals concerned about succession, forced heirship or tax exposure in Spain
- Clients seeking a seamless service for cross-border legal planning
- Corporates or private clients seeking to enforce Spanish judgments in the UK

# Expertise you can rely on

Our Spanish Desk is led by Yolanda Perez Berges, a bilingual Spanish-qualified lawyer registered in the UK, working alongside Joanna Ensor, Partner, a UK-qualified lawyer with extensive cross-border Private Client experience.

Together, they and their colleagues deliver coordinated Anglo-Spanish advice backed by The Burnside Partnership's specialist Private Client and tax expertise.

# Talk to us

If you or your clients need clear, coordinated advice on UK-Spain legal and tax matters, our Spanish Desk is here to help. We provide practical, responsive support for complex cross-border situations with the sensitivity and technical excellence that defines our firm.
